#### USER DETAILS

Site access may be monitored for the purpose of statistical analysis, or for other specified business purposes including, but not limited to, marketing of products and services. The user gives his, or her, consent for Purity Systems Inc. to store such details and to use the same for the purposes outlined above

#### FORWARD-LOOKING STATEMENTS

This Internet site contains forward looking statements that include words such as "believes", "assumes", "expects" or similar formulations. Various known and unknown risks, uncertainties and other factors could lead to material differences between the actual future results, development or performance of our company or its products and those either expressed or implied by these statements.

These factors may include, but without limitation, changed or new regulations that increase our operating costs, increases in the costs of raw materials that may not be able to be passed on to our clients, loss or reduction of patent protection of our products, currency fluctuations and exposure to environmental or product liability litigation.

In view of these uncertainties we caution users against placing undue reliance on these forward-looking statements.

#### SALE OF PSI PRODUCTS

Our products are sold in accordance with the current version of our Conditions of Sale and Delivery.
